

Internet Home Banking is just a click away. Visit us at your convenience 24/7 from any computer with Internet access.

World Wide Branchsm and Audio Teller each allow you to:

- *Transfer money between your accounts.
- *Transfer money to make loan payments.

World Wide Branchsm also allows you to:

- *View and download check images and account summaries for printing or adding to other software applications.
- *Optional Bill Payment service allows electronic payment of your bills.

These services are available - all at no cost!

Simply complete and return this form to Communications Family Credit Union.

To access World Wide Branchsm log on to our web site at www.comfamcu.org, click on the World Wide Branchsm logo and enter your user ID and PIN. Manage your account anytime-from anyplace!
